CAREER OBJECTIVE

Highly-driven software engineering student with growing knowledge in JavaScript, MongoDB, Python, MySQL, and Java seeking a software engineering internship at Ethiopia Information Network Security Agency (INSA). As a MERN Stack full stack developer, I am ready to contribute my passion and skills to help drive innovation as a global.

EXPERIENCE

2022 – current

Wolkite University

Full Stack Web Developer
ICT Incubation Center

- o Collaborated with a cross-functional team to develop and deploy responsive web applications using MERN Stack or HTML, CSS, JavaScript, Nodejs and modern frameworks like React.js.
- o Implemented RESTful APIs to facilitate seamless communication between the front-end and back-end systems.
- o Designed and optimized database schemas, utilizing MYSQL and MongoDB to ensure efficient data storage and retrieval.
- o Implemented authentication and authorization mechanisms to enhance the security of web applications.
- o Conducted thorough testing and debugging to identify and resolve software defects, ensuring high-quality deliverables.

2022 – current

Wolkite University

Project
Wolkite Community School Management System

- o I am participating as requirement gatherer with my team member
- o I am participating as MERN Stack developer

EDUCATION

📅 2021 – current
📍 Wolkite University

B.Sc
Software Engineering

Wolkite University

CERTIFICATIONS

- Huawei Certified ICT Associate-Datacom (HCIA-Datacom)
- Oracle Certified Professional: Database
- Red Hat System Administration I (RH124)

SKILLS

Software Technical Skills:

- Programming Languages: JavaScript, HTML/CSS, C++, Java, Python
- Development: React.js, Node.js, Express.js, Visual Studio
- Strong understanding of data structures and algorithms
- Familiarity with database management systems and SQL
- Experience with version control systems (e.g., Git)
- Software Project Management

Soft Skills:

- Collaboration
- Problem-Solving
- Communication

HOBBIES

- Reading Books
- Walking in garden
- Doing marshal art

LANGUAGE

- English
- Amharic
- Afaan Oromoo
